

CITY OF JEROME Discharge Approval Application

Please complete all questions; do not leave blanks (if not applicable, indicate with NA)

A. CONTACT INFORMATION

1. Facility discharging wastewater:

Name _____

Street address _____

Mailing address (if different from physical address) _____

Telephone number _____

2. Business owner:

Name _____

Mailing address _____

Telephone number _____

3. Property owner:

Name _____

Mailing address _____

Telephone number _____

4. Manager or person responsible for daily facility operations:

Name/title _____

Telephone number _____

5. Contact Person(s) in case of emergency:

Name/title _____

Telephone number _____

B. BUSINESS / PROCESS INFORMATION

1. Number of employees _____
Normal operating schedule _____ hours of operation _____ days/week _____
2. Please describe business activities, including a description of all services, operation processes, and types of wastes and wastewater generated. (If needed, extra sheets may be attached.)

3. Are any process changes or expansion planned during the next three years? YES _____ NO _____
If yes, attach a separate sheet to this form describing the nature of planned changes or expansions.
4. Attach a list of all chemicals used, stored, or generated at the facility (see Attachment A).
5. If your facility employs or will be employing processes in any of the following listed Business Activities or Industrial Categories (regardless of whether they generate wastewater, waste sludge, or hazardous waste), place a check beside the activity/category (please check all that apply).

a. Other Business Activities

- Adhesives
- Auto repair
- Beverage bottler
- Car/truck wash
- Dairy Products (e.g. cheese mfg., milk)
Specify: _____
- Dentistry
- Dry cleaning
- Food/edible products processor (fresh pack, potato processor) Specify: _____
Specify: _____
- Food/beverage preparation of any kind
(please attach menu)

- Heavy equipment repair
- Hospital
- Lawn and fertilizing applicators
- Medical lab services
- Military installation
- Paint and ink
- Pesticide applicator
- Photo-film processing
- Printing and publishing
- Slaughter/meat packing/rendering
- Waste recycle
- Other, Specify _____

b. Industrial Categories

- Battery manufacturing
- Copper forming
- Electric and Electronic compounds mfg.
- Electroplating
- Inorganic chemicals
- Iron and steel
- Leather tanning and finishing
- Metal finishing
- Nonferrous metals mfg.
- Nonferrous metals forming
- Organic chemicals mfg.

- Pesticides mfg.
- Petroleum refining
- Pharmaceuticals
- Plastics and synthetic materials mfg.
- Plastics processing mfg.
- Pulp, paper, and fiberboard
- Rubber
- Textile mills
- Timber products
(e.g. wood preserving, list operations)

6. Industrial Classification number(s) {designate if SIC or NAICS} _____

7. What Pretreatment/Recycling equipment do you have?

- Equalization
- Grease Trap
- Grease Interceptor
- Oil/Sand Separator (sump)
- pH Adjustment

- Silver Recovery Units
- Solvent Recovery Units
- Antifreeze Recycler
- Used Oil Burner
- Other _____

C. WASTEWATER DISCHARGE INFORMATION

1. Sewer Connections:

- a. Will you be occupying an existing building? YES _____ NO _____
- b. Is the building presently connected to the public sewer system? YES _____ NO _____
- a. If yes, sewer account # _____ If no, have you applied for a sewer hookup? _____

2. Attach the following: (see Attachments B and C)

- a. Site plan showing location of facility, property boundaries, adjacent streets, sewers, connections and manholes, and any continuous flow monitoring and sampling equipment.
- b. Floor plan showing all locations of fixtures discharging to the sewer. Include all sinks, dishwashers, toilets, floor drains, sumps, grease interceptors/traps, oil/sand separators, process tanks, and any other sewer accesses.

3. Water use (check all that apply):

- Sanitary _____
- Boiler/cooling tower _____
- Cooling water contact _____
- Cooling water non-contact _____
- Washing (equipment wash down) _____
- Other (describe) _____
- Irrigation _____
- Air pollution control _____
- Contained in product _____
- Surface water _____
- Waste hauler _____

4. Water use and distribution – estimate the average quantity of water received and discharged daily (For new business, estimate flow)

Supply Water volume per day _____ Discharge water volume per day _____

5. For Categorical Facilities:

Provide the following flow for each of your regulated processes or proposed regulated process (manufacturing process line covered by categorical pretreatment standards)

Total plant flow in gallons per day (gpd) discharged to the sewer system.

Average _____ Maximum _____

6. Have you been issued a local, state, or federal wastewater environmental control permit to store, treat, transport, or discharge waters or liquid wastes? (e.g. waste generator or hauler, air quality, NPDES permit, etc.) YES _____ NO _____

If yes, list permits and dates of issue _____

D. CERTIFICATION

Confidentiality: Please indicate those sections of this application that you wish to remain confidential, and your basis for requiring confidentiality _____

I certify under penalty of law, that this document and all attachments were prepared under my direction or supervision in accordance with a system designed to assure that qualified personnel properly gathered and evaluated the information submitted. Based on my inquiry of the person or persons who manage the system or persons directly responsible for gathering information, the information submitted is to the best of knowledge and belief, true, accurate and complete. I'm aware that there are significant penalties for submitted false information, including the possibility of fine or imprisonment for knowing violations.

Signature: _____ Date: _____

Printed Name: _____ Title: _____

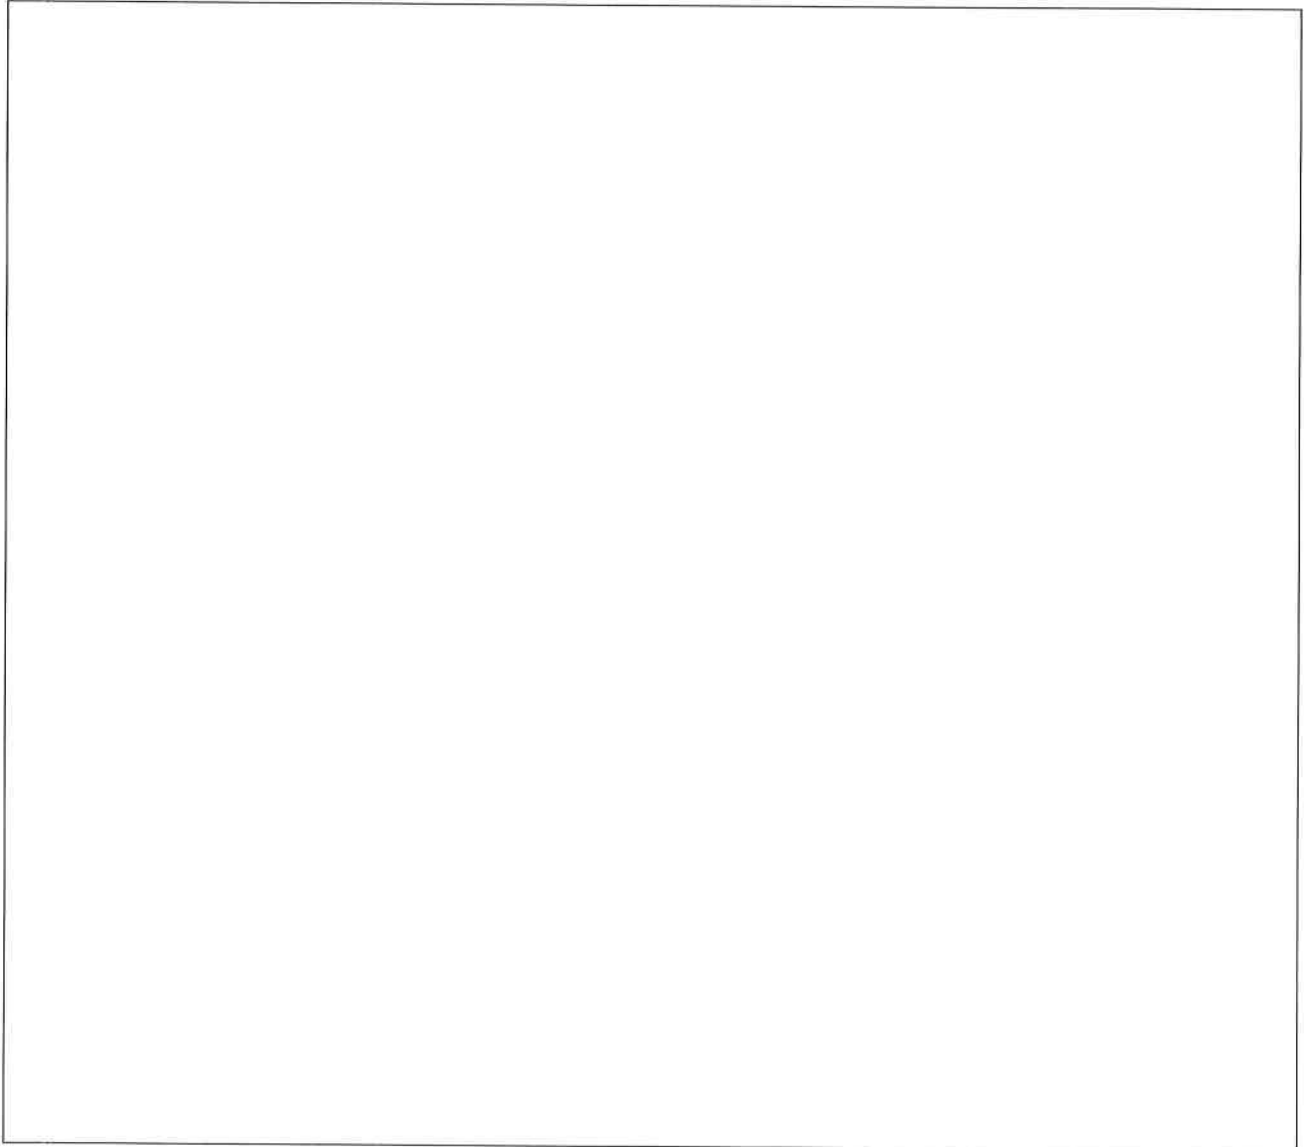

ATTACHMENT A
CHEMICALS USED/STORED

Business Name _____

Generic Type	Amount Used/Year	Amount On Hand	Chemical Constituents or Brand Names
Example: Degreaser	3 gallons	45 gallons	Trichloroethylene

ATTACHMENT B
SEWER CONNECTIONS PLAN

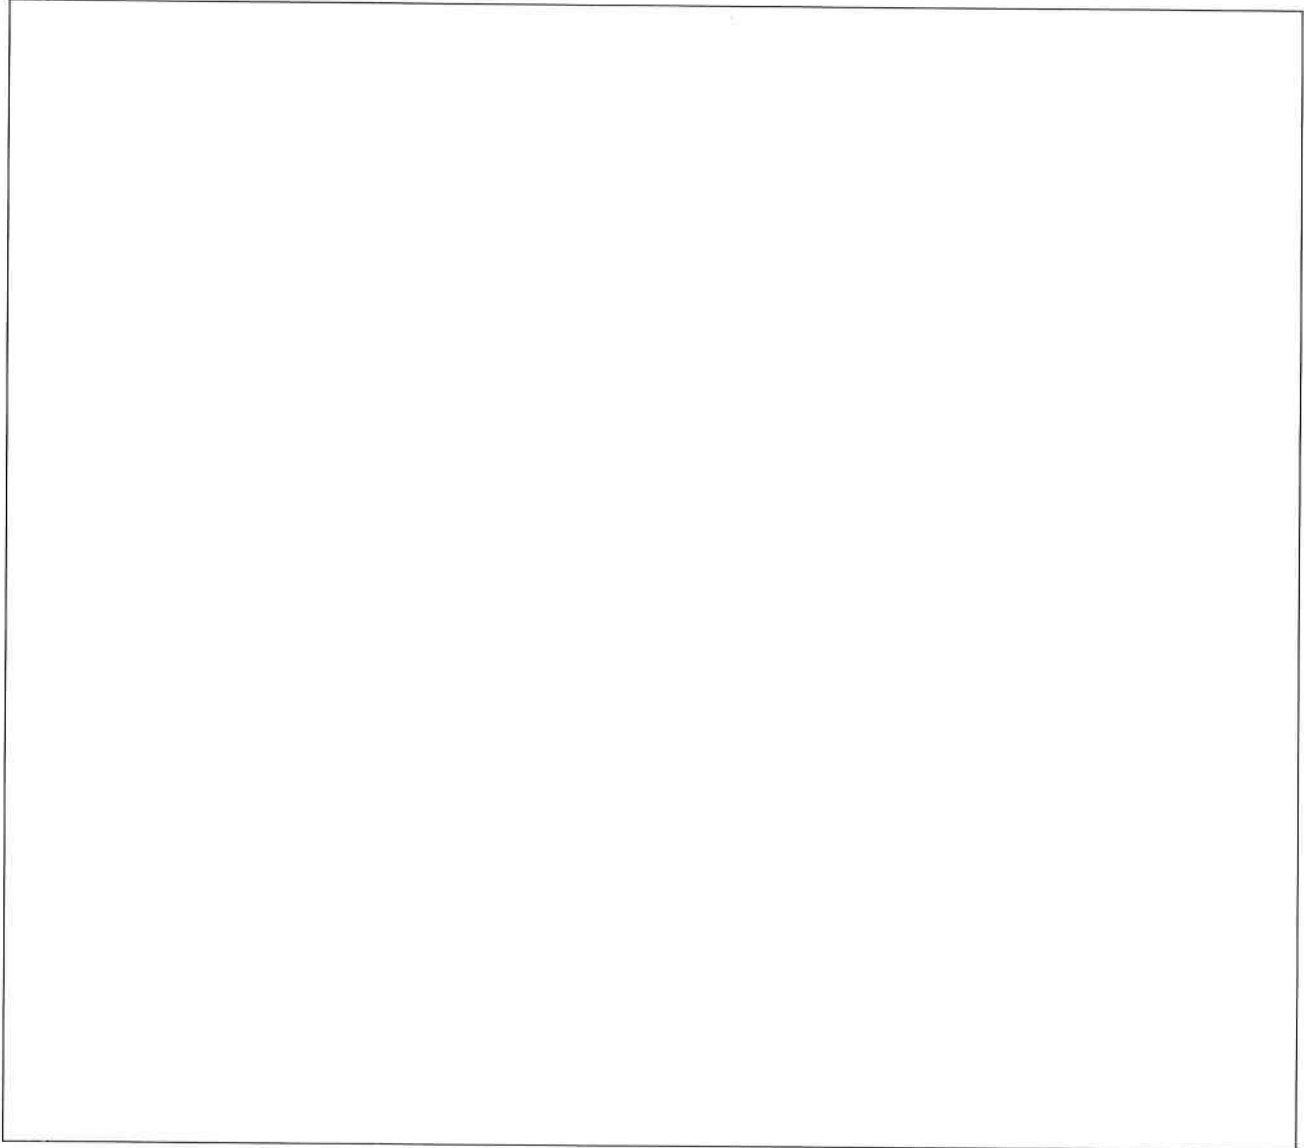

Business Name _____

Include: Location of facility, property boundaries, adjacent streets, sewers, connections, and manholes (sewer and storm).

ATTACHMENT C
PLUMBING DRAWINGS

Business Name _____

Include: All sinks, dishwasher, toilets, floor drains, sumps, grease interceptors/traps, oil/sand separators, process tanks, and any other sewer accesses.
