Design Review Permit Application Checklist

An application for design review permit shall be filed with the City of Jerome Planning and Zoning one week prior to the next scheduled Planning and Zoning Commission meeting. Please include the following information:

- Completed Application
- Landscape Plan
- Site Plan (to scale)
- Façade Design Plan to Include Description of Color and/or Exterior Materials (if applicable)
- Vicinity Map
- Architectural Elevations
- A narrative statement addressing the Design Review Guidelines

REQUIRED: Applicant must submit one (1) electronic copy of the completed application containing all accompanying documentation. Application must also include **five (5) copies** of all materials to become property of the City of Jerome and public record.
